## Inclusive Garden

## What is the Inclusive Garden Program?

The YK Inclusive Garden opened in the Summer of 2016. We offer plots to members of the community, with priority going to persons living with a disability.

Plots and soil are provided free of cost, patrons are required to organize their own transportation to the garden and supply their own seeds, although a small selection of assorted seeds will be

## How Do I Sign Up?

Signing up is as easy as giving us a call, or sending an email! As there are limited spaces, we offer plots on a first come, first serve basis.

Additionally, application forms are provided at our office. Persons who will be allocated plots at the garden will be notified via phone or email prior to planting day.
